SUPERVISORS ELECT SMITH AS CHAIRMAN

Members of the Board
Favor Keeping Up
the Band.George W. Smith is temporary chair-
man and E. R. Adams vice-chairman
of the Board of Supervisors for the
County of Oahu. These officers were
elected at an informal meeting held
yesterday afternoon in the Merchants'
Association rooms, Young Building,
after a fifteen minute caucus of all the
supervisors in secret session.That there was rivalry for the covet-
ed position of chairman was manifest-
ed by the desire of some of the country
members to put supervisor-at-large
Adams at the head of the Board, but
the caucus resulted amicably in favor
of Smith.The rooms were opened then to the
various county officers-elect and specta-
tors, when the formal election of the
two officers above named took place.
Mr. Adams placed Mr. Smith in nom-
ination for chairman, and he was sec-
onded by Mr. Moore, who stated that
it was merely intended to be a tem-
porary arrangement, for after July 1
permanent officers would be chosen.Chairman Smith thanked the super-
visors for the honor and he added:
"We are here as the trustees for the
people and we should conduct the busi-
ness of the county as we would conduct
our own financial affairs."On the suggestion of the chair that
a vice-chairman would be a proper offi-
cer for the board to have, Mr. Lucas
nominated Mr. Adams for the office,
and he was duly elected.The meeting, the first at which all
the supervisors have come together
since the election, was attended by
supervisor-at-large Adams; supervisors
Smith, Lucas and Moore for Honolulu;
Cox for Waiakala; Archer for Ewa and
Paele for Koolau. There were in
attendance, also, County Attorney
Douthitt, Treasurer Trent, Sheriff
Brown and Clerk Kalaupokalani.

MANY ROOMS OFFERED.

Several communications regarding
office space for the county departments
were read. The first was from the
Superintendent of Public Works offer-
ing the use of the throne room in the
capitol temporarily, as a place of meet-
ing until permanent quarters are secur-
ed. Eventually, the supervisors decid-
ed to accept the offer and will hold a
meeting there Monday night, when the
territorial auditor will be asked to come
before the board to explain some finan-
cial problems to the members.Nine rooms on the second floor of
the McIntyre block, at a rental of \$175
per month for a lease of 18 months,
were offered. The old Castle & Cooke
building, corner of King and Bethel
streets, was also offered, as was the
Kapiolani Building, corner of King and
Alakea streets and the new Robinson
Block on Queen street at a rental of
\$200 per month.McCandless Bros. offered to lease the
county the second story of a proposed
new block faced with Hawaiian stone
to be erected on the corner of King
and Bethel streets, adjoining the von
Holt and Postoffice blocks. The build-
ing which they declared would be an
ornament to the city, would cost about
\$50,000.On motion of Moore the matter of the
selection of a building was left to a
subsequent meeting, at which time the
following committee on Public Build-
ings, appointed by the chair, will re-
port: Messrs. Moore, Adams and Paele.At this juncture the chair declared an
adjournment for ten minutes during
which time the county officers went up
to the Roof Garden and posed for their
pictures in a group.The chair called attention to the mat-
ter of transfer of departments of the
territory to the counties, and cited the
case of the police department, which
he said would undoubtedly be turned
over entire to the county sheriff.

DOUTHITT'S DUTIES.

Attorney Douthitt said he had many
matters to bring to the board's atten-
tion. One was his own duties in con-
nection with the police department. Under
the new law, the County Attorney
becomes the prosecuting attorney in the
police court for all criminal cases. The
cases must be prepared by him and car-
ried through the Circuit and Supreme
Courts as well. Under the old system
the High Sheriff or his deputy prose-
cuted all cases. The new system was
to do away with the former method
of the arresting officer also prose-
cuting offenders. Mr. Douthitt stated
that during the next three months there
would be many difficult legal knots to
untangle, and he personally expected to
be at the call of the Board of Super-
visors at all times, and he would there-
fore have little time to personally at-
tend to police court prosecutions. Yet
after midnight, July 1, the police court
matters must be attended by the County
Attorney.He therefore suggested that the board
permit him to secure the services of an
assistant, and for the onerous duties
in connection with the board he needed
a stenographer. He stated that in all
probability, in the country districts,
where the situation was entirely differ-
ent, the Deputy Sheriffs would continue
to prosecute before their police magis-
trates.Mr. Douthitt was requested to fur-
nish a rough estimate of his proposed
expenses per month for the next few
months and to specify what help he
might require.

Sheriff Brown stated that on Monday
he would be in readiness to state just
exactly what his department would re-
quire, and whether it would be possible
to cut down the force, keep it at its
present strength or add to it.

PUT FUNDS IN BANKS.

Treasurer Trent said that if he kept
his office in his private establishment
on Fort street, he would be able to
conduct the business more economically
than if it were somewhere else, for he
would not need a deputy. He brought
up the questions of his bond. If he
kept the county funds in a government
vault, his bond would be made out in a
certain way, and if it was the intention
to divide the funds among the various
banks, it would make a difference in
the way the Surety Company drew the
bond. The Chair thought under the act
he was privileged to bank the funds
wherever he wished.Adams thought if the Board wished
to place \$25,000 with any bank, it would
be right. He thought also that the
Board should pay for the bonding of
its officers.Clerk Kalaupokalani asked for a clerk
and a stenographer.

ROAD WORKERS, TOO.

The Chair broached the matter of the
road department, now run by the Su-
perintendent of Public Works. This
was a matter which would come under
the direction of the Board after July 1,
and a road supervisor for the county
would have to be chosen. The county
attorney read the Act which referred
to the county taking over the roads,
highways, bridges and alleys and main-
taining them.Adams suggested that the Board, be-
fore or on July 1, pass several resolu-
tions by which they formally declared
that they had taken over the police de-
partment, fire department, road de-
partment, etc.It was decided also that besides the
County Attorney, Sheriff, Treasurer,
Clerk and Auditor making estimates of
the office force and general force need-
ed to carry on their departments, the
fire chief and road chief be called
to submit their estimates.Mr. Trent said he had had a talk
with Territorial Treasurer Campbell
about finances. On July 1 he would
receive a warrant for \$37,000 from Mr.
Campbell and the same sum each
month thereafter.On motion of Paele, the following
committee was appointed to frame rules
for the guidance of the Board in its
deliberations: Lucas, Cox and Archer.

MAJORITY FOR BAND.

From expressions made by the mem-
bers yesterday, the Board will certainly
do something to keep the Hawaiian
Government Band in existence. Lucas
is the prime mover in this matter, and
he brought the matter to the Board's
attention. There was no set discussion
on the subject, but the following are
some of the expressions:Adams: "I'm for the Band."
Paele: "So am I."
Smith: "I certainly favor keeping up
the band if we can."Lucas: "We don't want to let the
band break up—we must keep it going."

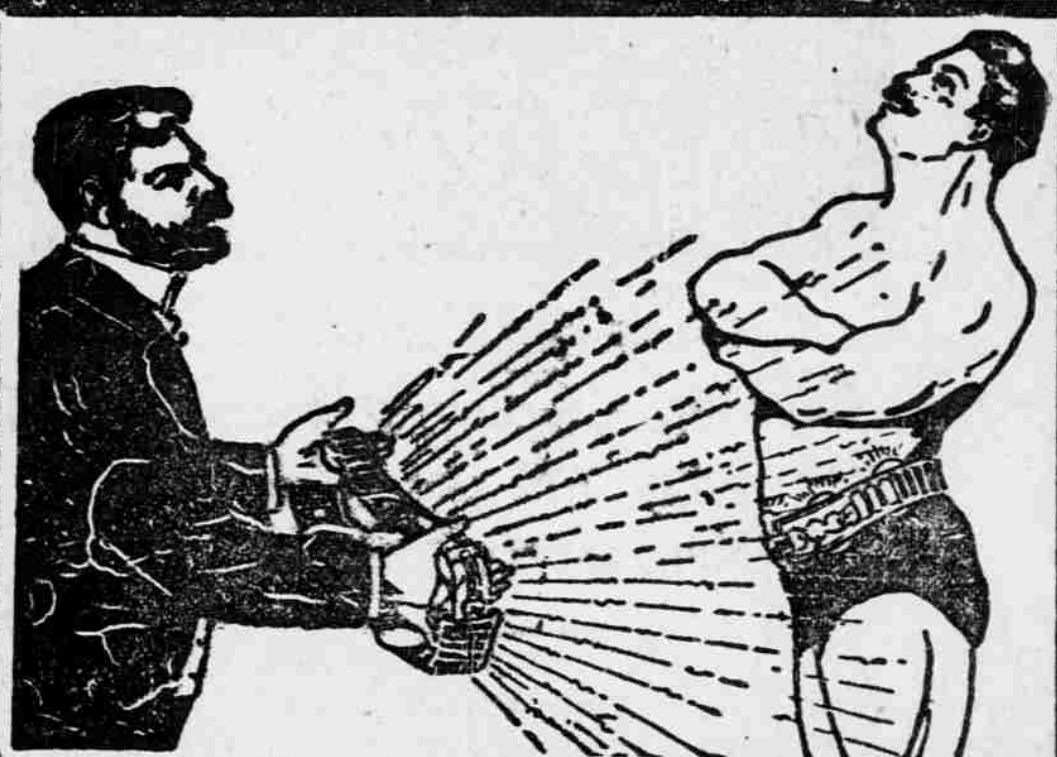

THE OPENING CEREMONY.

There will be a little ceremony on
July 1 when the county officers take
hold of affairs. At a certain hour they
will gather in the throne room, and in
the presence of a notary public, make
their oaths to do their duty in a man-
ner which will benefit the public."And we'll open a bottle of ink on
that occasion, too," said Lucas.

BUNGALOW FOR OFFICES.

Just before adjournment the bungal-
ow was mentioned as a place which
would serve for county offices. The
building could be remodelled and it
would make an ideal office building and
by opening gates in the walls nearest
the corner of Hotel and Richards streets
the bungalow would be easy of access
from all parts of the business section.
The Board adjourned to Monday.

ORIENTAL SILK SALE.

A great many ladies inspected the
Oriental goods at the Globe Clothing
Co. yesterday and many purchases
were made. The goods were personally
selected by Mrs. Jacobson during her
visit in China and Japan, and are now
being offered for sale for the first
time. Ladies are most cordially invit-
ed to inspect these goods whether they
buy or not.

"IT MAKES ME FEEL LIKE A NEW MAN"

I want to talk to men who have pains and aches, who feel run down
physically, who realize that the old "fire" and energy which was so
evident in youth is absent now; men who can't stand the amount of
exertion they could years ago. I want you—if that means you—to see
what I have done for others who were just as bad off. That's my in-
troduction. If a friend in whom you had confidence presented some
one to you and said, "Jack, here's Brown; he has made good with me,
and I trust him," wouldn't you trust him, too?"Mr. H. A. Lehnhoff, proprietor of the Fernando Hotel, Fernando,
Cal., a man known to thousands of Californians, a G. A. R. veteran,
says that my Belt cured him of Rheumatism, and that he will praise
it for all time as the grandest remedy known for that trouble."Mr. W. F. Quite, Cedarville, Cal., writes, March 10: "Your Belt
cured me after I had spent \$1000 in useless doctoring."I have cured thousands of men who have squandered the savings of
years in useless doctoring.My Belt is easy to use; put it on when you go to bed; you feel the
glowing heat from it (no sting or burn, as in old style belts); and you
feel the nerves tingle with the new life flowing into them. You get up
in the morning feeling like a two-year-old.An old man of 70 says he feels as strong and young as he did at
35. That shows it renews the vigor of youth. It cures Rheumatism, Sci-
atic Pains, Lumbago, Kidney Trouble. Banishes pain in a night, never
to return.Mr. A. C. Hammond, 350 Pine street, San Francisco, says, March
20: "At the age of 75 your Belt has cured me of general weakness and
kidney trouble."What ails you? Write and tell me, and no matter where you are I
think I can give you the address of some one in your town that I have
cured. I've cured thousands and every man of them is a walking ad-
vertisement for my Belt.Every man who uses my Belt gets the advice and counsel of a phys-
ician free. I give you all that any medical man can give, and a lot that
he can't. Try my Belt.FREE BOOK—Write me today for my beautiful illustrated book,
with cuts showing how my Belt is applied, full of good reading matter
